

**TPOBC**  
**Changing what it means to be blind!**  
**2<sup>nd</sup> ANNUAL**  
**5K**

The 2<sup>nd</sup> Annual 5K will be held Saturday, April 18, 2015 at Tom Bass Park. The 5K benefits the TPOBC, *Texas Parents of Blind Children*, which provides children vital support, encouragement, and promotes blindness skills, fostering self-esteem, and utilizing blind adult role models to build a solid foundation for a productive life with maximum independence.

The TPOBC would like to invite you to be part of this amazing run and help support the organization continue to provide scholarships for blind children and their families the opportunity to attend State and National Conventions. In conjunction with the Texas Association of Blinds Students the TPOBC hosts a conference to provide vital information for the blind, and also provides presenters from all over the country to introduce the latest technology pertaining to blindness.

Help us make a difference!

Sincerely,  
Lety Castillo
